

New, Secure, Accurate and Up to Date!

KES PTO Student Online Directory and Email List 2010-2011

This year we will be migrating to a web-based, secure, password protected, online directory and will be offering printed directory for sale for anyone wishing a hard copy. The new online directory is a great resource for KES families containing all the information the previous directory did (important school information and listing of KES families) and adds new functionalities, such as the ability to update information during the year.

You will shortly be receiving an email with your current information for you to verify or update. In September, we will introduce and demonstrate the new online directory. To do this **we need your current email addresses**. Login to the online directory will be by email address and each parent can have their own login and password.

For returning KES families, we will use the emails for the printed directory that we have on file; please either email, alexandrawilliams@verizon.net, or weales@mac.com or drop off/back pack mail to the KES PTO Mailbox (in the front office) the following changed or additional email information. If we do not receive a form or email from you, we will assume that your information has not changed.

For new families to KES, please provide the following information, if you wish to use the online directory. Please note that the inclusion of cell phone numbers is optional.

Child(ren)'s Name(s): _____

Mother's Name: _____ **Father's Name:** _____

Email: _____ **Email:** _____

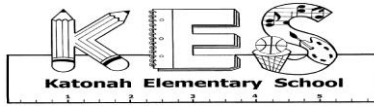

Cell No. : _____ **Cell No.:** _____

Is your email different than last year? ____ Are you adding an email? Mother's ____ Father's ____

We will email you with PTO, community and KES information only. This is how you are notified and reminded about important events and deadlines at the school. We do not share email addresses with anyone outside of Katonah Elementary School.

NOTE: If you would like to receive e-mail updates from the Katonah-Lewisboro School District, please go to www.klschools.org. *This is different than our KES PTO list.*

Questions? Please call Alexandra Williams at 232-6818 or email alexandrawilliams@verizon.net. Please visit www.kespto.com for current PTO information or email kespto@gmail.com.
